Mission

St. Catherine Labouré Parish provides a **structured program for the religious education of elementary school children attending the public school system.** The curriculum includes all dimensions of religious education: doctrine, scripture, liturgy, prayer, service and sacramental preparation. The curriculum is taught in the spirit of cooperative learning and hands on activities that connect religion to everyday experiences. Classes are available on Sunday mornings for kindergarten through eighth graders.

Additional liturgical experiences and activities are offered throughout the school year. Parental involvement is an important aspect to the development of the program. A volunteer form is given to every family to experience spiritual growth.

New catechists are always welcome to join our program. For additional information please call the religious education office at 847-724-2240 (Extension # 1)

Dear Parent

Welcome to a new year of Religious Education. We are blessed about the prospect of working with you to ensure that your child receives an outstanding Catholic Religious Education experience. We believe that every child can be successful and that all of us play an important role in the development of your child's spiritual growth.

Our goal is to help parents stimulate faith development in their children through Liturgy, Eucharist, Scripture and Prayer. To help your children achieve this success, it is up to all of us to work together in a supportive and cooperative environment as we guide your child to grow in our faith. One of the most important ways to grow spiritually is to attend Sunday Liturgies together as a family.

Please use this handbook for information about our program. You can also stay informed by reading the church bulletin, and the parish web site at: **www.StCatherineLaboure.com**. Look for the Religious Education Box.

May your experience in the Religious Education Program at St. Catherine Labouré be positive, spiritual and faith filled!

Preparation for the Sacraments

Consistent enrollment is required every year corresponding to a child's public school grade level from first through eighth grade.

According to the policies of the Archdiocese of Chicago, two years of preparation are necessary for celebrating the sacraments. Students begin their immediate preparation for the sacrament in the second year.

The students in the **second grade** (who have completed the first year program) are prepared for the sacraments of **Reconciliation** and **Eucharist** as part of their class sessions.

These class sessions are in conjunction with the formation which they receive with their families. The most important preparation children can receive for the Eucharist is to be **regular participants at Sunday mass.**

Confirmation is celebrated in the spring time. Most students will be confirmed in eighth grade, if they have completed the two-year confirmation preparation sequence. Students who begin in grade eight will begin with the seventh grade course (Confirmation I) and complete two years.

In addition to classroom work, students are expected to participate in the parish Confirmation program, which consists of journaling on the works of mercy, special events and a retreat.

Students who did not attend in Seventh Grade will begin preparation for Confirmation in the Seventh Grade program (Confirmation I), and when they are in Ninth Grade, be placed in the Eighth Grade program (Confirmation II). They will be confirmed in that year.

Grade Level Goals

Kindergarten Students Will...

- * Learn the **Sign of the Cross & Glory Be.**

Eighth Grade Students Will...

- * Understand the **Sacrament of Confirmation**
- * Review Sacraments of Initiation: Baptism, Eucharist and Confirmation.
- * Recognize the **Holy Spirit**.
- * Understand Church History and Learn about **Scripture**.
- * Celebrate Liturgical Rites and Symbols of the Church.

More about the goals you will learn from *Prayers, Practices and Religious Literacy Objectives for Students, Families and Catechists* booklet.

For students who miss enrolling for specific years, it is the responsibility of the family to help the student meet those benchmarks.

Admission Policies

Non-Discrimination

- * Our parish operates under the auspices of the Archdiocese of Chicago.
- * We do not discriminate on the basis of sex, race, color, and national or ethnic origin.

Priority for Admissions

- * Priority for enrollment will be in this order: (1) families who are already enrolled, (2) new parish families, then (3) families of non-parishioners.
- * The parish is authorized to make discretionary exceptions to these priorities.

Tuition Costs

- * For families with one child, the fee is \$195.00, two children, \$295.00, three or more children, \$395.00.
- * The First Communion fee is an additional \$60.00.
- * The Six Grade Bible fee is an additional \$20.00.
- * The Eighth Grade Confirmation fee is an additional \$70.00.
- * The late fee for registering after June is an additional \$50.00.
- * For families not registered in the Parish the fee is an additional \$200.00.

Attendance Procedures

Daily Arrivals

- * Regular attendance is expected.
- * Please be sure your child arrives on time. Late arrivals can be disruptive to class.

Leaving Class Early

- * If you will be picking up your child early due to a family commitment, please write a note to your child's catechist stating the time your child will be picked up.
- * Please go to the classroom and personally pick up your child.
- * **We will not allow a child to leave the building early without an adult.**

Absences

We hope that absences are few and far between. However, they are sometimes unavoidable.

- * If your child is sick on a class day, please call the office at (847)724-2240 and leave a message. When reporting the absence, please leave the student's name and grade level and the reason of absence.
- * You can use the form online to report the absence.
- * If your child has to miss a class due to any conflict, please notify the catechist in writing beforehand so the absence is excused.

Acknowledging that the demands of today's society are many, parents are urged to make regular attendance at RE a priority for their children.

Please note that we consider more than 3 absences a year excessive. If a child misses more than this, we will need to evaluate to see if s/he is meeting the benchmarks for that grade.

If a child is absent, it is the parent's responsibility to see that he or she completes the make-up homework that the catechist assigns. Parents will be notified of the make-up via email, if possible. Parents are expected to participate in the lessons together with the children.

Return the assignment to the catechist.

Regular homework may be assigned by the catechist. It is the parent's responsibility to see that it is returned to class.

Custody Concerns

- * If parents are divorced or separated, the program presumes that both parents have access to the children, unless one parent can provide evidence that he or she has the sole right.
- * Both parents can request email and mailing addresses.

Safety Drop-off and Pick-up Procedures

- * All of our families need to take every safety precaution when dropping off and picking up your child on Sunday mornings. Many children are too small to be seen by large vehicles. Drop off and pick up is everyone's responsibility. Please observe **curb side** pickup and drop off in the circle drive area and the Chapel area. We ask you to drive safely and maintain a level of courtesy toward all members of our community.
- * Children can enter the building through:
 - o Church after mass by the east door.
 - o Parking lot entrance near Holy Family Chapel.
 - o Left door of the circle drive school entrance.
 - o Doors will be secured at 9:15.

Safety Procedures for Kindergarten, First and Second Graders

- * Children in Kindergarten, 1st, and 2nd grades must be signed in and out of class. Children will remain in their classrooms until an **adult** signs them out.
- * Please be prompt for arrivals and pickups.
- * At the first class, parents fill out a form that lists adults that are allowed to pick-up your child.

Discipline Procedures

- * If there is a discipline problem in the classroom, the child will be sent to the Religious Education Office. If the problem persists, parents will be called.
- * Cell phones calls, texting and taking pictures is not allowed during class sessions. If phones are used in class, they will be taken to the RE office and then picked up by the parent.

Celebrating Liturgy & Reconciliation

Liturgies are convenient for our class times:

- * Saturdays at 5:00 pm, Sundays at 8:00 am, 11:00 am, and 6:00 pm in Spanish
- * Reconciliation - Saturdays at 4:00 pm. to 4:45 pm.

Sacraments

Faith formation is an important part of our program; we encourage students to attend all years of formation. Reconciliation, Communion and Confirmation are Sacraments that are received in our program. Preparation for each of the Sacraments is a two-year program. Reconciliation and Communion begin in Grade 1 and Confirmation begins in Grade 7.

Parental Involvement

- Model in your family an active Christian faith and reinforce the values for living a Christian faith.
- Accept the responsibility to have your children attend all classes.
- Check your child's folder to see what they have accomplished.
- Take an active approach and attend Mass and Holy Days.
- Attend the Sacrament of Reconciliation regularly.
- Attend special events in the program.

Responsibilities of Parents in RE

Part Three of “The Catechism of the Catholic Church” (Life in Christ), Nos. 2223 and 2226, can enlighten us regarding responsibilities as parents. I invite you to read these two sections, reflect upon them, and ask God to help parents to be active catechists in their homes, the “domestic church”.

“Parents have the first responsibility for the education of their children. They bear witness to this responsibility first by creating a home where tenderness, forgiveness, respect, fidelity, and disinterested service are the rule. The home is well suited for education in the virtues. This requires an apprenticeship in self-denial, sound judgment, and self-mastery—the preconditions of all true freedom. Parents should teach their children to subordinate the ‘material and instinctual dimensions to interior and spiritual ones.’ Parents have a grave responsibility to give good example to their children. By knowing how to acknowledge their own failings to their children, parents will be better able to guide and correct them.” (CCC 2223)

"Education in the faith by the parents should begin in the child's earliest years. This already happens when family members help one another to grow in faith by the witness of a Christian life in keeping with the Gospel. Family catechesis precedes, accompanies, and enriches other forms of instruction in the faith. Parents have the mission of teaching their children to pray and to discover their vocation as children of God. The parish is the Eucharistic community and the heart of the liturgical life of Christian families; it is a privileged place for the catechesis of children and parents." (CCC 2226)

Accommodation for Special Needs

Parents are responsible for advising the Religious Education Office about all special needs, allergy, health and medical concerns, and physical and/or learning disabilities that pertain to their children, especially if there is a need for specialized individual attention. This information will be shared with the child's catechist or aide for the benefit of the assisting in class room management.

Our goal is to mainstream, as much as possible, any child with special learning needs. This is dependent upon our ability to recruit catechists and aides who can work individually with a student, if that is necessary.

If a child cannot be mainstreamed successfully, we will work with the family to ensure that an appropriate setting is found to educate the child in the faith and prepare him or her for the sacraments.

Medication

Except in extraordinary circumstances which must be approved by the DRE, the Religious Education program or personnel will not maintain, supervise the taking of, or administer medication.

Parents are responsible for advising the DRE if their child carries an inhaler, epi-pen or other life-saving medication that they may need during class sessions; for making sure the child has the necessary supplies; that the child is trained in proper usage, and able to administer the medication as necessary; most importantly, parents are responsible for seeing that children's information is updated regularly.

Allergies

- * Please update, now and throughout the school year, all your child's allergies (including food) and current medications on the registration form.
- * On special occasions, we may serve food.

Emergency Phone Numbers

- * Please register your current home, cell phone numbers and email addresses.
- * For emergencies, we need contact information updated.

Safety Plan – Emergencies

St. Catherine Labouré Religious Education is dedicated to providing a safe, orderly, and secure learning environment. During an evacuation for fire or other emergencies parents can join their children in the specified area away from the building but cannot leave with them until the evacuation is over or as directed by the catechists and emergency personal. During a lock down situation you will be allowed to enter the building after emergency personal clear the area.

Protecting God's Children

- We participate in the effort of the Archdiocese of Chicago to ensure the safety of all children. Materials will be incorporated from the Child Lures Program throughout the year.
- For the safety of our children, all volunteers (18+) have completed a background check and attended a mandatory VIRTUS "Protecting God's Children" training seminar.
- We have the Parent Guide from the Child Lures Prevention Program which addresses topics as harassment, boundaries, and self-esteem. If you wish more information regarding this program, please call the Religious Education Office at 847-24-2240.

Lost & Found

- * There is a container in the RE office for lost items.

Adult Faith Formation

Dear St. Catherine Labouré Religious Education Parents,

Thank you for entrusting your children to SCL for their Catholic religious education. This year, SCL is again honored to offer a Sunday morning program for adults. While your children learn about our faith and grow closer to God, so can you.

You are all parents. You are all familiar with the phenomenon of your children pelting you with a barrage of questions regarding whatever strikes their fancy at any moment. Why not refresh your knowledge of our faith? In doing so, you will not only be better equipped to parry that barrage of questions, **you will grow closer to God.** After all, you want your children to know and to love Him; **why not you, too?**

This year, we will offer a program titled, “**The Bible Timeline**”, by **Jeff Cavins**. You may recall Mr. Cavins presented a Lenten Mission at SCL a few years ago. The Mission introduced us to his program of bible study, using his timeline.

Before you groan and roll your eyes about bible study, Mr. Cavins presents scripture in a unique way which not only is not boring but becomes a sort of quest to follow the thread which presents “The Story of Salvation”. Informative and inviting, “The Bible Timeline” is the perfect resource for all Catholics who want to get into sacred scripture.

The Study Guide for the program is only 260 pages long and is divided into 23 lessons. They will be distributed at our first meeting on Sunday, 9 September. If you cannot make the first meeting, pick up the Guide the next time. Obviously, this is a voluntary program so if you cannot make it every week, that is fine. **The SCL Religious Education program is 24 weeks, so our Adult Program will be the same length.** A Schedule and Syllabus will be distributed at our **first meeting, Sunday, 9 September.**

Finally, regarding our first meeting, it will be merely an introductory session. We will meet, chat and answer questions in addition to distributing materials. We will have coffee and refreshments available every week. So, do not just drop your children off at the door at 8:55, go to Starbucks and pick up your children at 10:30, **stay and learn more about your faith while you drink coffee with us.** After all, you know learning about your faith is important, otherwise you would not register your children in our Religious Education program; why not resume your relationship with God through SCL Spiritual Enrichment and **rekindle the fire?**

A Prayer for Daughters Protection

Lord, I pray Your emotional, physical, and spiritual protection over my daughter. Keep evil far from her, and help her to trust You as her refuge and strength. I pray You will guard her mind from harmful instruction, and grant her discernment to recognize truth. I pray You will make her strong and courageous in the presence of danger, recognizing that You have overcome and will set right all injustice and wrong one day. Help her to find rest in Your shadow, as she lives in the spiritual shelter You provide for her. Let her know that the only safe place is in Jesus, and that her home on earth is only temporary. In Jesus name, amen.

A Prayer for Your Son Discernment

Lord, I pray that my son will develop an eternal perspective and purpose, not an earthly one. Help him to see life—and every challenge—through Your eyes, eager and unafraid to share with others the good news of Jesus wherever he goes. I pray that they will set his minds on things above, not just what's going on here, and that he will be rooted and grounded in Your love. I pray that he will come to understand the extent of Your own love for him—that it surpasses all the head knowledge they will acquire in school. I pray he will be filled up with You from morning 'til night.
